Fact Book Data Sources

Unless noted otherwise, all data in tables are obtained from the Fall and Spring Census and end of Summer term files generated to meet reporting requirements of the West Virginia Higher Education Policy Commission (HEPC). In some instances, staff in individual departments are contacted to obtain updated data.

Because HEPC, IPEDS, and other data are obtained from snapshots taken at different points in time, totals may vary for the same parameter in various tables due to differing definitions and reporting practices.
