

Vision 20/20 UPDATE

Building, Renovation and Technological Infrastructure

Overall Status

Goal:

Improve efficiencies within Human Resources while supporting professional development for faculty and staff.

Strategy:

Create opportunities for on-campus training and development through a series of on-going professional development workshops. Topics to include: Title IX, budgeting and supervisory skills.

Recent Key Accomplishments

Human Resource published formal training schedules on the HR website and also sent the information via Employees ListServ. A "Lunch and Learn" series of informal trainings were attended.

Upcoming Events

The "Lunch and Learn" opportunities will be published following formal training schedules.

Emerging Issues

Participation in these professional development opportunities may require encouragement from the various leadership areas across the University.

Solutions

Participation will be monitored and encouraged, assistance will be sought if needed.
