

Vision 20/20 UPDATE

Academic Programs, Research Growth, Faculty Excellence and Rewards and Public Service

Overall Status

Goal:

Develop new and reconfigure existing academic programs to be responsive to student, stakeholder and community needs.

Strategy:

Develop new undergraduate degrees in Science, Technology, Engineering, Agriculture and Mathematics (STEAM) by 2020.

Recent Key Accomplishments

1. An intent to plan in Civil Engineering was approved by the Board of Governors. The plan was then submitted to the Higher Education Policy Commission.
2. An intent to plan for a Bachelor of Science degree in Nursing is under development.

Upcoming Events

1. We are in discussion with CAMC to share resources on the Nursing degree.

Emerging Issues

1. The intent to plan for Civil Engineering degree was not approved by the Higher Education Policy Commission.
