

# West Virginia State University

**This Day Camp is Free of Charge!**

### **What Does This Camp Offer My Child?**

Two-weeks of Free fun activities to promote both Academic and Athletic Enrichment on the campuses of WVSU and Camp Happy Valley!

- Variety of sporting and outdoor activities & adventures: hiking, fishing, swimming, sports...
- Various interactive lessons on topics such as: Science, Nutrition and Health.

WVSU's Department of Health and Human Performance strives to promote and improve the health of children in the state of West Virginia.

This day camp will continue this mission by educating the campers on simple actions they can incorporate into their daily lives to maintain a healthy lifestyle. Through simple interactive lessons on Nutrition and introducing the campers to a variety of Physical Activities, we hope to promote the importance of lifelong health and wellness.

Lifelong learning is also an important factor to the health of our future generations. This camp will promote the importance of Education through fun and interactive lessons designed to spark interest and creativity. Campers will take part in numerous science lessons/experiments, arts & craft projects and many more quality learning experiences designed to promote learning and creativity!

## Summer Academic & Athletic Enrichment Camp

### Agess 7-14

### June 4<sup>th</sup>-15<sup>th</sup> 2018

# West Virginia State University's 2018 Summer Academic & Athletic Enrichment Camp

At the WVSU's Summer Academic and Athletic Enrichment Camp your child will be matched into groups with campers of similar ages, led by an educator from West Virginia State University's Health and Human Performance Department. Each day from 9am-4pm, these groups will take part in hour long blocks of enrichment activities on WVSU's campus or Camp Happy Valley. It is our goal that each day your child be encouraged to learn, grow and play their way into lifelong health and happiness.

## WVSU CAMPUS ACTIVITIES

On Mondays, Wednesdays and Fridays Campers will be on the WVSU campus taking part in various academic activities. There will be lessons on Science and Nutrition as well as physical activities such as: Tennis, Basketball, Aerobics, Archery... Campers will also take part in interactive activities from our campus's Extension program such as Germ City! Finally, campers will have daily speakers from local agencies such as Fire & Police Depts, educating campers on various safety topics.
