## Office of Student Financial Assistance 2016–2017 Verification Worksheets V-6 Household Resources Verification Group

Your 2016–2017 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you and your parents (if you are a dependent student) reported on your FAFSA. To verify that you provided correct information we will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected, by signing this form you are giving WVSU financial aid office permission to update your FAFSA with the correct information. You must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the financial aid office. **Complete all sections of this form applicable to you. Incomplete forms or forms without the requested documentation will not be processed. Based on your answers we may need to request additional documentation.**

**Instructions:** Complete this section if the parents filed or will file a 2015 IRS income tax return. *The best way to verify income is by using the IRS Data Retrieval Tool (IRS DRT) that is part of FAFSA on the Web at [FAFSA.gov](http://FAFSA.gov).* In most cases, no further documentation is needed to verify 2015 income information that was transferred into the student’s FAFSA using the IRS DRT if that information was not changed.

In most cases, for electronic tax return filers, 2015 IRS income tax return information for the IRS DRT is available within 2–3 weeks after the 2015 electronic IRS income tax return has been accepted by the IRS. Generally, for filers of 2015 paper IRS income tax returns, the 2015 IRS income tax return information is available for the IRS DRT within 8–11 weeks after the 2015 paper IRS income tax return has been received by the IRS. Contact the financial aid office if more information is needed about using the IRS DRT.
