

**2019-2020 Parent Certification Form
Federal Direct Unsubsidized Loan without Parent FAFSA Information**

Student Name: _____ A#: _____

Dependent students may receive an Unsubsidized Direct Loan without providing parent information on the FAFSA if the parent does not support the student financially and refuses to complete the parent section of the FAFSA. The parent (or third party person if the parent is unwilling or unable) must read and certify the following information is correct.

Students applying for unsubsidized loans by completing a FAFSA without parental data are only eligible to borrow the base loan limits below, and do not qualify for the additional unsubsidized with is available to independent students and dependent students whose parents are unable to borrow a PLUS Loan.

Federal Direct Unsubsidized Limits for Dependents without Parent FAFSA Data:

Freshman	\$5500
Sophomore	\$6500
Jr or Senior	\$7500

Parent Certification:

If a parent is unwilling or unable to sign this certification, you must skip this section and have a third party person certify below.

I, the parent of the above named student, am not providing financial support to the student and will not do so in the future. I have not financially supported the student since _____ (month/day/year). And, I refuse to provide my information on the FAFSA.
