

# The Road to STATE'S REAFFIRMATION 2015

## Accreditation Criteria

As we move along *The Road to State's Reaffirmation 2015*, there are several key criteria which West Virginia State University (WVSU) will be scored on. The Higher Learning Commission (HLC) will evaluate WVSU according to five criteria:

1. **Mission:** The institution's mission is clear and articulated publicly; it guides the institution's operations.
2. **Integrity: Ethical and Responsible Conduct:** The institution acts with integrity; its conduct is ethical and responsible.
3. **Teaching and Learning: Quality, Resources and Support:** The institution provides high quality education, wherever and however its offerings are delivered.
4. **Teaching and Learning: Evaluation and Improvement:** The institution demonstrates responsibility for the quality of its educational programs, learning environments and support services, and it evaluates their effectiveness for student learning through processes designed to promote continuous improvement.
5. **Resources, Planning and Institutional Effectiveness:** The institution's resources, structures and processes are sufficient to fulfill its mission, improve the quality of its educational offerings and respond to future challenges and opportunities. The institution plans for the future.

Each criterion includes core components, which identify areas of focus within the criterion. Sub-components further elaborate some core components. You can see each criterion's components by visiting the HLC's [website](#).

## Federal Compliance

As a federally recognized accreditor, the HLC is required to assure the federal government that WVSU meets its Title IV program responsibilities. For more information, please visit: HLC's [Federal Compliance Program](#).
