Section B: Commitment to the Profession- The candidate demonstrated a commitment to the Profession

As a member of the teaching profession, teacher candidates are expected to participate in ongoing professional development activities. These activities are *beyond the requirements* normally assigned and/or expected as part of the regular coursework in teacher education program and are assigned certain **Professional Development Units**. PDU's are organized into three categories and teacher candidates should show a well-balanced mix of all three categories when completing their PDUs. For example, it would not be a good practice to earn PDUs exclusively from Category Three. To receive credit for the PDUs, the candidate must provide proof of attendance for the activity (such as a certificate of completion, activity description, or registration handouts) **and** complete the Professional Development Reflection Outline form available at the Education Department website.

CATEGORY 1: Long-Term Professional Activities and Self-directed Learning (Maximum 10 PDUs per activity)

- Participation in faculty-led educational research project
- Serving as an officer for a professional organization (e.g., honor society, student organization)
- Attending or presenting at a conference
- Participating in a faculty-led book study
- Volunteering in education-based community service (e.g., after-school tutoring, etc.) in long-term, sustainable manner

CATEGORY 2: Short-Term Professional Activities (Maximum 4 PDUs per activity)

- Attending WVSU faculty lecture series
- Participating in WVSU-DOE sponsored workshops or programs
- Attending meetings for a professional organization

CATEGORY 3: Other Events (Maximum 3 PDUs per activity)

- Attending a cultural event
- Attending Convocation at WVSU

Some Guidelines and Examples

Assign no more than 1 credit for each 50 minute hour of professional development activity. If a professional development activity is not strongly related to education, educational leadership, or the candidate's content area, then assigning half credit for each 50 minute hour is appropriate. Furthermore, even if an activity consumed considerable time (for example being an officer in a professional organization, adhere to the limits imposed on activities from the different categories.

Examples:

- 1) Candidate reads books to a local kindergarten classroom. Documentation is a letter from the teacher indicating 40 school visits of ½ hour each. Reflection indicates growth in understanding of topics of interest to young children and improvement in expressive reading.

Scoring: This is Category 1: Long-term professional activities, with 20 hours of high quality participation, and earns the maximum allowable 10 PDUs.

- 2) Candidate is a member of KDP, but has not served as an officer. Documentation of membership in good standing, attending more than 20 hours of meetings over 2 years, and high quality reflection on professional growth.

Scoring: This is a category 2 - Short Term Professional Activity, with 20 hours of participation and reflection on professional growth, it earns the maximum Scoring 4 PDUs.

- 3) Candidate attends an on-campus play. Documentation is the playbill. Reflection indicates growth in cultural awareness and a tangential connection to future teaching (“I think that taking students to see plays is an important part of helping them become well rounded citizens.”)

Scoring: This is Category 3 – Other Events Activity. For this two-hour event, the SCOPE committee might score 1 PDU because there was not a strong link to professional growth and future teaching.

- 4) Candidate is a member of PTO at a local school. A letter from a PTO officer on official letterhead documents attendance at 10 hours of meetings and 12 hours to prepare for and help conduct specific event at school. Reflection shows growth in understanding the culture of the school. By demonstrating initiative in organizing school event, the candidate shows leadership.

Scoring: This is Category 1: Long-term professional activities, with 22 hours of high quality participation, and earns the maximum allowable 10 PDUs.

The candidate demonstrated a commitment to the Profession – Professionalism and Professional Development Activities.

<p>Demonstrated leadership experience in educational settings. Candidate maintained active membership in professional organizations; in addition, maintained a good balance of professional development activities within the three categories.</p>	<p>Participated in some professional development activities including at least one from the category-one activity.</p>	<p>Candidate did not participate in leadership or professional development activities in educational settings or participated in limited activities.</p>
