What's Important for 2021?

Note: You must complete open enrollment (on-line or paper form) to make any change (add, cancel or change plans). If no action, all coverage will remain the same.

PEIA

The deadline for open enrollment is May 15th

PEIA PPB Plans

All PEIA PPB Plans Active employees and non-Medicare Retirees:

- No PPB Plan premium increase
- Two chiropractic visits covered in full for back pain only (Plans A, B & D)
- No out-of-network coverage out-of-state for PPB Plan C (Aligns with PPB Plans A and B)
- Life insurance subsidies are ending; active policyholders and some retirees may see optional life insurance rate increases (see pages 48 - 51 for more information)

Optional Life Insurance Rates

Beginning July 1, 2020, your PEIA active employee optional term life rates are increasing – no action is required.

Why are rates increasing? Prior to 2016, PEIA's optional life insurance rates were higher than they needed to be, thanks to better-than-expected claims experience. Securian Financial returned the surplus premiums to PEIA, and because they were policyholder dollars, not tax dollars, PEIA used that money to reduce optional life insurance rates over the last four years. That surplus has been used up, so now premiums will be adjusted to their actual, unsubsidized level.

Has your address changed? Let PEIA know!

- If your address has changed, you can update your records with PEIA by sending the address change in writing to 601 57th St., SE, Suite 2, Charleston, W.Va. 25304-2345 or by going on the agency's website, www.wvpeia.com, and logging into **Manage My Benefits**. PEIA DOES NOT accept address changes over the phone.

Annual Physical

PEIA covers an annual physical for members at no cost (State and network rules apply). There is a form at the back of this Shopper's Guide that you may take to your annual physical office visit; it explains what is covered in full as a part of the visit, and how the physician's office needs to bill to have the visit reimbursed correctly.
