

WEST VIRGINIA STATE UNIVERSITY

Assistant Professor of Engineering (Chemical) Department of Mathematics & Computer Science

West Virginia State University:

West Virginia State University (WVSU) is a public-land grant institution, which was founded in 1891 as a Historically Black College and University (HBCU), and has evolved into a fully accessible, diverse, and multi-generational institution serving approximately 3,500 students. The University is a community of students, staff, and faculty committed to innovative teaching and learning, research and service that offers 23 undergraduate and seven graduate degrees through its four colleges, and competes in athletics at the NCAA Division II level in five men's sports and six women's sports. WVSU is located in Institute, WV, a suburb of Charleston, the largest city and the capital of West Virginia. With more than 300,000 people living in the metropolitan area, it is an active, exciting and engaging community, boasting cultural and historical events, music, festivals and entertainment.

Position Description

The Department of Mathematics and Computer Science at West Virginia State University announces a tenure-track Assistant Professor position in Chemical Engineering starting in the Fall 2022 semester. The Department of Mathematics and Computer Science at WVSU offers Bachelor of Science degrees in Mathematics, Computer Science, and Engineering.

Responsibilities for the Assistant Professor of Chemical Engineering

The candidates should have the ability to teach undergraduate courses in Chemical Engineering. The candidate is also expected to prepare external and internal grants, engage in research, participate in service activities, and advise students.

Requirements for the Assistant Professor of Engineering (Chemical)

A Ph.D. in Chemical Engineering is required. ABD candidates will also be considered (but the candidates are expected to have their PhD completed before the start of the Fall 2022 semester). Preference will be given to those whose Bachelor's degree is also in Chemical Engineering.

Salary Statement

Salary will be commensurate with qualifications and experience.

To Apply:

This position will remain open until filled. However, first consideration will be given to applicants who submit a resume, cover letter, academic transcripts, and the names and email addresses or phone numbers of three professional references by April 1, 2022. All requested information must be submitted for your application to be considered.

Please submit application materials via email to jobs@wvstateu.edu or mail to:
