

WEST VIRGINIA STATE UNIVERSITY

Instructor of Chemistry Department of Chemistry

West Virginia State University

Founded in 1891, West Virginia State University (WVSU) is a public-land grant institution, which was originally founded as a historically black university, but which has evolved into a fully accessible, racially integrated and multi-generational institution serving approximately 3,514 students. The University is a community of students, staff, and faculty committed to academic growth, service and preservation of the racial and cultural diversity of the institution. WVSU offers 23 undergraduate and six graduate degrees through its four colleges. WVSU competes in athletics at the NCAA Division II level in five men's sports and five women's sports. WVSU is located in Institute, WV, a suburb of Charleston, the largest city and the capital of West Virginia. With more than 300,000 people living in the metropolitan area, it is an active, exciting and engaging community, boasting cultural and historical events, music, festivals and entertainment.

Position Description

The West Virginia State University Department of Chemistry seeks applications for a full-time one-year term instructor of chemistry.

Responsibilities for the Instructor Position

Faculty member will be expected to teach Consumer Chemistry for non-majors, Health Science General Chemistry for non-majors, general chemistry courses, and potentially courses within the candidate's area of expertise. Persons with the desire to teach using both traditional and on-line modalities are encouraged to apply. Other responsibilities include but are not limited to student advising, departmental outreach, and program assessment. The position is a nine-month term appointment with the opportunity to participate in summer school.

Evening and weekend work will sometimes be required.

Requirements for the Instructor Position

The candidate must have a minimum of a Master's Degree in Chemistry or a closely related field.

Salary Statement

Salary will be commensurate with experience.

Appointment Status

This position will be a full-time one-year term appointment in the Department of Chemistry within the College of Natural Sciences and Mathematics.

Proposed Starting Date

The starting date for this position is August 2022.

To Apply

To be considered for this position, please submit your resume, a letter of interest, transcripts, and the names and email addresses or phone numbers of three professional references by July 13, 2022. All requested information must be submitted for your application to be considered.

Please submit application materials via email, mail or in person to: jobs@wvstateu.edu or mail to:
