

WVSU FACULTY SENATE

RESOLUTION TO ADD MOST IMMEDIATE PAST FACULTY SENATE CHAIR TO FACULTY SENATE
EXECUTIVE COMMITTEE

WHEREAS as currently written in the West Virginia State University Faculty Senate Constitution, the members of the Executive Committee serve one year terms; and

WHEREAS institutional knowledge and continuity from one senate administration to the next is important for a smooth transition and future understanding of past actions / decisions; and

WHEREAS this system / timeline / rotation creates the possibility where then entire Senate Executive Committee can be replaced in a single election, losing this knowledge;

THEREFORE, BE IT RESOLVED THAT the Faculty Senate adopts a change to the Constitution adding the most Immediate Past Faculty Senate Chair as a member to the Faculty Senate Executive Committee as a non-voting, ex-officio member.
