

MEMORANDUM OF UNDERSTANDING
BRIDGEVALLEY COMMUNITY AND TECHNICAL COLLEGE
AND
WEST VIRGINIA STATE UNIVERSITY Two Plus Two Program
A.A.S. in HSRS and B.S. in Social Work

Purpose and Philosophy

This memorandum of Understanding commits WVSU to accept credits earned at BridgeValley CTC as delineated in the Suggested Course Sequence that is part of this agreement. The two plus two concepts promotes the idea that students' education experience should include a seamless transition from associate degree programs to baccalaureate degree programs. This process includes recognition of prior education efforts and hope that students will recognize the importance of continuing their education. Through this Memorandum of Understanding, students are assured of acceptance or prior college courses and are offered a plan for completing a baccalaureate degree as efficiently as possible.

Background

The cooperating college, BridgeValley Community and Technical College and West Virginia State University, bring to this liaison the following backgrounds:

BridgeValley Community and Technical College (BVCTC) is a public community college with multiple campuses in West Virginia. It was formed in 2014 by the merger of Bridgemont Community and Technical College of Montgomery, West Virginia and Kanawha Valley Community and Technical College of South Charleston, West Virginia. The college offers relevant associate degree programs and emphasizes student-oriented, transferable learning, enabling students to achieve work, career, and personal success. The college is part of the West Virginia Community and Technical College System and is accredited by the Higher Learning Commission.

West Virginia State University was founded in 1891 as a public, land grant, historically black college. The college has evolved into a fully accessible, racially integrated and multigenerational institution. The College is the largest institution of higher education in the Kanawha Valley and a resource center for this metropolitan area. The university provides a broad spectrum of undergraduate degree programs for residential and commuting students. The University is accredited by the Higher Learning Commission.

Operational Guidelines

The following guidelines facilitate the process described in this agreement:

1. The Memorandum of Understanding becomes effective as of Fall Semester 2023 and shall remain in effect until terminated by either party by giving at least (30) days prior written notice of termination to the other party.
2. The parties to this agreement shall review the relationship every five years to assess its effectiveness and usefulness.

3. The parties to this agreement shall inform the other party promptly if the curricular requirements of the relevant program change.

4. Both colleges will designate a contact person on their respective campuses to represent their interests and carry out the program mutually agreed upon. These representatives will meet or otherwise communicate as needed to evaluate the program and propose changes.

Notice:

Any written notice under this agreement shall be addressed as follows:

President
West Virginia State University
P.O. Box 1000
Institute, WV 25112

Mr. Ericke Cage
President
West Virginia State University

DATE 05/18/2023
