Office of Financial Aid and Scholarships
2025-2026 Verification Worksheet**

Your 2025-2026 Free Application for Federal Student Aid (FAFSA) has been selected for review in a process called verification. The law requires our office to confirm the information you and your parents (if you are a dependent student) reported on your FAFSA prior to awarding Federal Student Aid. To verify you provided accurate information, we will compare your FAFSA with the information on this worksheet and any other required documents. If discrepancies are found during this process, your FAFSA may need to be corrected. You must complete and sign this worksheet, attach any required documentation, and submit to the Financial Aid Office. If you are a dependent student, at least one parent must sign this worksheet. Based on your answers on this worksheet, we may ask for additional information. If you have questions about verification, contact our office as soon as possible to avoid delays with your financial aid.
