Office of Career
Services

OFFICE OF CAREER SERVICES

The Career Services Office aims to promote student success through a wide range of career and employment services. We are dedicated to nurturing personal growth and development by supporting our students in their academic, career, and employment pursuits.

Meet Our Team

Renee Lester

**Executive Director of Career
Services**

Teresa Casto

Program Coordinator

AVAILABLE SERVICES:

Career Exploration

- Focus 2 Career: FREE career assessment available for WVSU students
- Comprehensive four-year career planning guide

Career Closet

- Free business professional clothing

Career Fairs and Workshops

Graduate School Preparation

- Students can schedule an appointment with Career Services to review their graduate school application and timeline, ensuring they are well-prepared and informed about what to expect.

Handshake

- A platform for students and alumni to connect with potential employers
- Allows students the ability to apply for various positions, including work-study, internships, and full-time roles

Interview Preparation and Mock Interviews

- Students can schedule a mock interview with Career Services staff or a regional employer
- Students receive constructive feedback to enhance their interviewing skills

Resume and Cover Letter Writing

- Students receive assistance with creating or updating their resume and cover letter

Methods of Data Collection:

The Office of Career Services collaborates with GradCast to gather information related to a graduate's career and transfer status. The data collected is summarized in each edition of the Graduate Reports. After graduates are certified in the Banner system, the Grad File is submitted to GradCast roughly six weeks following the conclusion of the term. Once the Grad File is uploaded, GradCast initiates a six-month campaign that includes up to 13 points of contact.

West Virginia State University commenced its partnership with GradCast in Summer 2024.

Summer 2024 GRADUATES
